COMPUTER SCIENCE/DATA SCIENCE STUDENT

I am currently studying Computer Science with a minor in Data Science at Augsburg University, where I focus on programming, data analysis, and problem-solving. My coursework has helped me build a strong foundation in coding languages like Python and R, and I'm passionate about applying these skills to innovative solutions in technology.

PROJECTS

- Python To Do List
- Personal Website
- Scientific Calculator capable of algebraic functions

HARD SKILLS

- R
- Python
- Excel
- Microsoft Office

- Java
- Data Analysis
- HTML
- CSS

SOFT SKILLS

- Communication
- Community Outreach
- Bilingual

- CPR Certified
- Memorization

PROFESSIONAL EXPERIENCE

Residential Care at Nine Mile Creek   **June 2023 - January 2024**
Certified Nursing Assistant

I assist residents with daily activities, ensuring they live fulfilling lives despite limitations. I help design personalized care plans and work with staff to implement them. I also train new staff, ensuring they understand how to provide compassionate, effective care to meet each resident's needs.

Residential Care at Nine Mile Creek   **Jan 2024 - Present**
Assistant Manager

As an Assistant Manager at Nine Mile Creek, I oversee daily operations, ensuring residents receive high-quality care and that staff are well-trained to meet their needs. A key part of my role involves analyzing data from resident's records to track their progress and identify any positive or negative trends. I report these findings to nurses and doctors to ensure timely adjustments to care plans. In addition, I help design individualized care plans and ensure staff are equipped to provide compassionate, effective support, maintaining a positive and efficient environment for both residents and staff.

EDUCATION & CERTIFICATIONS

Augsburg University
Aug 2023- May 2027
Augsburg University Dean's List (Fall23/Spring24)
4.0 GPA
Major: Computer Science
Minor Data Science

St. Louis Park Senior High School
Aug 2019- Jun-2023
High School Diploma

LEADERSHIP

Community Leader

I lead prayers at multiple mosques, guiding the congregation during worship and ensuring the correct recitation and practices are followed. This role involves not only spiritual leadership but also fostering a sense of community and engagement within the congregation.
